September 2026

Learn French the fun way !

Would you like your child to learn another language, while having fun and learning skills that will give them a head start at secondary school? My classes are small and age-related and include songs, games, rhymes, activities, crafts and simple role-plays with the emphasis on the spoken word. I have lived in France and I would love to share my passion for the language and the culture with your child.

Enrolment for French lessons is now taking place for September 2026. Term starts **Monday 14th September 2026** and we would like to invite our friends to join us. Classes will be held on:

Monday after school 3.15 - 4pm	Years 5+6	"Bonjour la France"
Tuesday lunchtime 12 – 12.30pm	Years 3+4	"Salut Céline et Antoine" CLASS FULL
Tuesday lunchtime 12.30 - 1pm	Years 1+2	"Les Aventures de Minou et Trottime"

All classes are **£6 per child**, payable in advance termly. Each child also purchases an activity book and CD at the beginning of each programme which can last them up to 2 years of each course. This costs £30 and has lots of activities to accompany the classes and the CD includes songs, rhymes and activities the child can do at home.

Every child is invited for a **FREE taster lesson** to see if they would enjoy French lessons. If you would like your child to attend, please complete the following slip and return it by Friday 11th September 2026.

Some messages from parents about my classes:

"Thank you, for a truly fabulous first year for O studying French! O had thoroughly enjoyed her classes and has looked forward to them every week! Thank you for all your efforts in making the classes so fun for them. We're delighted with O's progress and the love of learning languages that you are nourishing in her." S.L.

"Her love of French is totally down to you and your fabulous classes, so thank you for all that you do to encourage and inspire her." R.K.

Come see what they are talking about!
